

Financial Analyst

Grant Thornton Ltd. is a member firm of Grant Thornton International Ltd (Grant Thornton International) which is one of the world's leading organisations of independently owned and managed accounting and consulting firms.

Grant Thornton Ltd. is a specialized audit company according to the Law for Independent Financial Audit. The main business activities of Grant Thornton Ltd. include audit, advisory and accounting services as well as tax planning advice. The Company performs its activities in two offices, in Sofia and in Varna.

Due to our expansion, we are currently looking for a financial analyst in Sofia.

Responsibilities:

- Review financial assets valuation models and monitoring of variables, early detection of deviations and accurate forecasting (including sensitivity analysis);
- Prepare regular forecasts and modelled cashflows, with the goal to achieve maximum accuracy;
- Calculate and monitor KPIs and analyse financial positions and credibility of different companies;
- Ensuring consistent financial data quality of our clients.

Requirements:

- At least 3 years in the financial analyst position or equivalent.
- Bachelor's or Master's degree in Finance, Economics or related field;
- CFA qualified;
- Advanced analytical skills;
- Strong data and numerical skills;
- Excellent proficiency in English language;
- Ability to work in a team and complete multitask work in short terms;
- Advanced computer skills, including expertise with advanced functions and pivot tables;
- Experience with financial applications is an advantage.

If you are interested in this position, please send your CV and motivation letter.

We will treat your application with confidentiality, professionalism and respect. Only the short listed candidates will be contacted.
